Building Extension

The building work is well under way at the back of school. We are having two new classrooms and one multi-purpose classroom built in order to accommodate the rising numbers of children in the Pontefract area. It is predicted that in September 2020 our intake for Reception will be 45 children. At the moment admission numbers in Year one and Reception are at 45. This is an exciting development for the school and we thank you again for all your support during this disruptive period.

Year 1 trip to Magna.

The children had an amazing time and Mrs Winter and Mrs Kasperek reported that the children's behaviour was excellent.

Christmas Concerts

Tickets will be available on Parentmail early next week. We will let you know when they go live.
