## Home School Agreement

**2019 / 2020**

**Together we shall support children's learning and help them achieve their best in all aspects of school life.**

Our aim is to work in partnership with parents, carers and families to enable all pupils to leave The Rookeries as confident, courteous, caring and healthy young people, who will develop qualities of self-discipline, responsibility and independence.

We believe that pupils, staff and parents are partners in education. Everyone should be valued for who they are and for the contribution they make. Pupils should be given every opportunity to develop their full potential in all aspects of school life, with appropriate support wherever specific needs are identified.

**At The Rookeries we will:**

- Encourage children to do their best at all times achieving high standards in learning and behaviour.
- Create a safe and pleasant environment, and encourage children to take care of their surroundings.
- Encourage children to develop healthy lifestyles
- Present a broad and balanced curriculum that offers appropriate challenge and promotes independence of thought.
- Treat all children fairly and apply rules and sanctions clearly and consistently
- Set and monitor homework.
- Be available to discuss children's progress with parents at Consultation Meetings, and by arrangement when needed.
- Inform parents about what teachers plan to teach the children each term.
- Inform parents about matters of mutual interest through a weekly newsletter.
