

## Year 5 Summer Home Learning Menu

Following on from the recent weekly home learning schedules, we have created a menu of lessons/activities which will help to further prepare pupils for a September return to school. Please do not upload any work to Class Dojo as this will not be accessed by teachers due to class groups being updated over the Summer break.

### Reading

Summer Reading challenge: Click [here](#) to join the 'Silly Reading Squad' to get rewards, play games and earn badges as you discover awesome books to read this summer!

Epic! Is a leading digital library for children 12 and under, where you can access 35,000 of the best books, learning videos, quizzes and more. You are able to sign up for a 30-day free trial. Click [here](#)

Click [here](#) to access the fantastic resources, activities and reading opportunities The Literacy Trust have. All you have to do is sign-up for free for 30 days. These activities are great for the whole family to enjoy.

Premier League Primary Stars provide a range of fantastic resources for you to do at home, click [here](#) to make your own 'five-a-side' team and complete the reading challenge. Lots of Premier League stars have got inspired, so why don't you?

Parents are able to access Oxford Owl resources for free. Oxford Owl allows children access to a range of games for different subjects, as well as outdoor learning ideas. Click [here](#) to access different supportive resources, activities and free e-books that your children can read and complete.

Click [here](#) to access the BBC Bitesize daily Book Club. In this lesson you will learn how to summarise and write creatively, based on the book *The Parent Agency*. It will include two videos of the author of the book, David Baddiel, reading extracts from *The Parent Agency* and three activities. You will need a pen / pencil and paper.

**Reading challenge 1:** How would you encourage others to read? How would you explain the importance of reading to others? Get creative and showcase this in any way you feel best showcases and encourages everyone to pick up a book and read!

**Reading Challenge 2:** What book would you choose to 'sum-up' your lockdown and/or summer holiday? Select a book that you have thoroughly enjoyed reading during this period of time and 'sell it' to your new class teacher, to encourage them to read it!

**Short Story Lesson 1: Reading.** This lesson will focus upon a mixture of different reading comprehension questions focused on a short story. You will need a pen / pencil and paper for the lesson. Watch the video and use the resources to answer the questions. Click [here](#).

**Short Story Lesson 2: Reading.** This lesson will focus upon a mixture of different reading comprehension questions focused on a short story. You will need a pen / pencil and paper for the lesson. Watch the video and use the resources to answer the questions. Click [here](#).

## Writing

### **Short Story Lesson 3: Writing.**

This lesson will focus upon children exploring the features of a short story and then identifying them in the short story provided. You will need a pen / pencil and paper for the lesson. Watch the video and use the resources to answer the questions. Click [here](#).

### **Short Story Lesson 4: SPaG.**

This lesson will review the different aspects of grammar that you have learnt and covered in your home learning so far. You will need a pen / pencil and paper for the lesson. Watch the video and use the resources to answer the questions. Click [here](#).

### **Short Story Lesson 5: Writing.**

This lesson you will use and apply your knowledge and learning on short stories to write your own short story: a Hercules themed myth. You will need a pen / pencil and paper for the lesson. Watch the video and use the resources to answer the questions. Click [here](#).

### **The Lighthouse:**

*The Lighthouse is a short film set in a small sea side town. The lighthouse keeper is a curmudgeonly fellow who lives by himself in the lighthouse and doesn't seem to approve of his neighbours. One night, when disaster strikes, it is these neighbours who come to his aid.*

Watch the clip and produce your own composition of a report and a narrative, using the visual text as a stimulus. Click [here](#). Further explore the free resources based on this visual text, click [here](#).

Click [here](#) to explore each of the daily images and complete the 'Story Starter' and 'Sentence Challenge' and 'Sick Sentences' section to improve and develop your writing.

Premier League Primary Stars provide a range of fantastic resources for you to do at home, Click [here](#) to become a 'Roving Reporter' and create your very own match report. The competition is now closed but this is still a fantastic opportunity and will support your understanding of how match reports are created.

Click [here](#) to develop your understanding of modal verbs, which you need to use accurately and purposefully in certain text types. In this lesson you will need a pen/pencil and some paper.

Shakespeare reimagined: click [here](#). In this lesson, children will learn how classic stories, including Shakespeare, can be reimagined and retold. This lesson will consist of two videos and three activities; you will need a pen/pencil and paper.

Click [here](#) to access further reading and writing opportunities for you to further explore and develop.

Espresso provide a range of SPaG clips and activities to support your understanding of key skills for writing. Click [here](#) to access these.

## Maths

These links will continue where you left off with your learning on fractions and on your exiting knowledge. In the following lessons you will learn to:

### Lesson 1

In this lesson you will develop your understanding of multiplying mixed numbers by an integer.

Click [here](#) for the lesson, which you will need a pen / pencil and paper for.

Click [here](#) to access an interactive game.

### Lesson 2

In this lesson you will develop your understanding of solving problems with fractions.

Click [here](#) for the lesson, which you will need a pen / pencil and paper for.

Click [here](#) to access an interactive game.

### Lesson 3

In this lesson you will develop your understanding of working out fractions of amounts in different contexts.

Click [here](#) for the lesson, which you will need a pen / pencil and paper for.

Click [here](#) to access an interactive game.

### Lesson 4

In this lesson you will develop your understanding of representing decimals as fractions:

Click [here](#) for the lesson, which you will need a pen / pencil and paper for.

Click [here](#) to access an interactive game.

---

Visit [here](#) for a wide range of further maths problems, activities and mathematically thinking ideas that you can access and try! This is a brilliant maths website to access and use, which we would highly recommend.

The children will be familiar with the maths games on 'Topmarks'. There are a number of games for maths and English, which are fun and engaging for all children to use free of charge. Click [here](#) access the site.

## Topic

We are looking to see how creative you are. Use the following link to access a number of creative challenges. Click [here](#).

**Challenge 1:** Create a stop-motion animation with BAFTA-winning animation director Nush Kishani Naanayakkara.

**Challenge 2:** Write a television script on the set of a popular CBBC show.

**Challenge 3:** Design a costume with master costume designer Scott Langridge.

**Challenge 4:** Write song lyrics with master songwriter Janet Devlin.

In this lesson, you will learn and explore sustainability and consider what sustainable development means and how it impacts decisions we make in the present. Click [here](#) to access the lesson.

Explore your history knowledge in this lesson to answer: In 1066, who was the rightful heir to the throne? Click [here](#).

All children can explore lots of fun quizzes, games and activities on a range of subjects and topics: <https://www.natgeokids.com/uk>

In addition to the above challenges, why not have a go at this photography challenge? [here](#)

The PAT's Physical Education, School Sport and Well Being Coordinator (Miss Wood) has sent through some great PE websites for you to access at home.

This is the [Yorkshire Sport website](#). It has lots of tips for both adults and kids to stay active and healthy over the summer. This is the [Get Set 4 PE website](#) and has lots of resources for children to access over the summer.

You don't need to log into Get Set; just click 'Active Families' at the top of the page.

*Click the icons below to go straight to these familiar websites for further learning resources specific to Year 5.*
