- When we use a number line to represent fractions, we must ensure our number line is divided into <u>equal parts</u>. For example, when dividing into <u>quarters</u>, we must ensure our number line is divided in <u>4 equal parts</u>.
- To find a <u>unit fraction</u> of an amount, we divide an amount into <u>equal parts</u>.
- The <u>denominator</u> of a fraction tells us how many equal parts the whole will be divided into.
- The <u>numerator</u> of a fraction tells us how many parts of the whole there are.
- Fractions <u>equivalent</u> to a <u>half</u> have a numerator that is half of the denominator.

catch <mark>er</mark>					

Can you use these words to write sentences and share them on Dojo? You could also write them all backwards or in rainbow colours, just remember to spell them correctly!

Here are some ideas for practising your spellings at home. Choosing one or two each week could really help you to learn spelling rules and practise tricky words.

Rainbow Write	Silly Sentences	Hidden Words	Backwards Words
First, write the words in pencil. Then trace over them in two different colours.	Write silly sentences using a spelling word in each sentence. Underline the spelling words and write neatly!	Draw and colour a picture. Hide your spelling words inside the picture. See if someone can find your hidden words!	Write your spelling words forwards and then backwards! Remember to write neatly!
Waterfall	ABC Order	Story, Story	Fancy Words
Words Example: c ca cat catc catc	Write your spelling words in ABC order. If words start with the same letter, look at the next letter.	Write a story using ALL of your spelling words. Be sure to <u>underline</u> your spelling words in the paragraph.	Write your words using fancy letters twice! Example: Catch CATCH CATCH
Three Times	Adding My Words	Riddle Me	Rhyming Words
First, write each word in pencil. Then, write each word in crayon. Finally, write each word in marker!	Vowels are 10 and consonants are 5. Write your words and then add the value of each word. E.g. cat 5+10+5 = 20.	Write a riddle for each of your words. Don't forget to answer them. E.g. I am cute. I wear diapers. Answer: baby.	Write each of your spelling words with a rhyming word next to them. E.g. cut shut
Code Words	UpPeR aNd LoWeR	Colourful Words	Choo Choo Words
Come up with a code for each letter of the alphabet. Then write your words in code. E.g. A - ∞ B - ‡ C -	Write your words once with all uppercase letters and one time with all lowercase letters. Then, write a third time with a mixture!	Write each of your spelling words. Write each letter using a different colour.	Write the entire list end-to-end as one long word. Write each new word in a different colour. E.g. trainbackstop
Newspaper Words	Words Within Words	Words Without Vowels	Other Handed
Use an old magazine or newspaper and find your words or letters that make up words. Glue them down.	Write each spelling word and then write at least two words made from that word. E.g. catch cat hat	Write all of your words replacing vowels with a line. Go back and see if you can fill in the vowels.	First, write your words with your normal writing hand. Then, write the list using your other hand!
