

**THE ROOKERIES  
CARLETON**

JUNIOR, INFANT  
& NURSERY SCHOOL

Friday 5<sup>th</sup> February 2021

**Dear Parents and Carers**

The children have thoroughly enjoyed their learning this week and engaged well with the sessions focused on mental wellbeing. It was pleasing too to see so many pupils dressing to express themselves today. There was a host of bright and colourful clothes both in school and online today as we celebrated Children's Mental Health Week. This is an important part of every child's development, and it is crucial for us all to keep talking about our mental health so we can support each other. We are all in this together.

There is no better example of the this than the positive message of hope shared on our school Twitter account in the form of a sea created by our very own MB. I would seriously recommend you check it out... <https://twitter.com/therookeries/status/1357430077563293703>

I hope you and you families stay safe and enjoy a lovely weekend. I look forward to seeing you either in school or online. Please see page 2 of this Newsletter for some fantastic photos from today.

Kind regards

This week we have taken part in Children's mental health week. Throughout the week, activities have been linked to exploring thoughts, feelings and ideas.

The theme of this year's Children's Mental Health Week is **Express Yourself** and today all our children both in school and learning remotely at home were invited to wear absolutely anything they wished. Thank you so much to all who took part and we hope you had fun wearing your favourite clothes and expressing your personalities!

Here are a few pictures of some of the children today

Once again The Rookeries will be taking part in Safer Internet Day this year.

This year's theme is **An Internet we trust: exploring reliability in the online world.**  
Look out for more information via dojo and your class teachers.

### **Collection of Children**

Please can I just remind Parents and Carers that if there are any changes to the collection arrangements for your child, please can you telephone the school office on 01977 600368 so that we may update your collection preferences.

Thank you for your help in this matter.
