

**THE ROOKERIES
CARLETON**

JUNIOR, INFANT
& NURSERY SCHOOL

Friday 25th June 2021

Dear Parents / Carers

This week has seen another productive week at The Rookeries. The highlights include pupils having enjoyed taking part in the Google #InternetLegends assembly, this educational programme is designed to empower children to be safe and confident online; Year 6 pupils getting the opportunity to observe and take part in a live heart dissection; and we were delighted to host M&M productions on Wednesday and pupils were able to watch a live performance of The Wizard of Oz.

As we prepare to enter the fourth week of this final term, I am sure thoughts turn towards transition and what next year will look like. While I appreciate this can be an anxious time for some, I want to assure you that this has been a meticulously planned process. There will be further details on transition in the coming weeks, outlining the process of how pupils are allocated into classes, announcing all new classes and introducing all of our teachers.

Year 6 have already been involved in several transition sessions as they prepare to move on to secondary school. In terms of moving classes for the rest of the school, this will take place on Monday 19th July. On this day, children in our current reception class all the way up to year 5 will spend the day in their new classrooms getting to know their teachers. In order to fully prepare all pupils for transition day, next week teachers will be spending time discussing the challenges of transition and how we will support pupils through this process - this will also be the theme of our whole school assembly.

I hope you all enjoy a lovely weekend and I look forward to welcoming you back to school on Monday.

Kind regards

**Richard Grogan
Headteacher**
