Please access the Sports Day events via the service drive to the side of EYFS.

Throughout the day, children will be given the opportunity to participate in a mixture of 'track' and 'field' events. The children will move around the activities like a carousel: EYFS will take part in four different activities, KS1 will take part in seven different activities and KS2 will take part in eight different activities.

Please ensure your child has a water bottle on the day and is wearing sun tan lotion.

Some seating will be provided however please feel free to bring your own camping chairs.

Throughout the morning and afternoon sessions, adults will be given the chance to purchase food/drinks from our stall (cash payments only). There will also be a Tombola and raffle to help raise funds for our outside learning area. We are appealing for items to be used as prizes for the Tombola. Please hand these to your Class Teacher or the office this week.

In the event of the English weather being so unpredictable, another date will be used as a back-up in the case of a postponement. Parents/carers will be made aware if the day has to be cancelled with as much notice as possible given.

We look forward seeing you there.

Yours faithfully
